

YOU'RE SUPPOSED TO BE SMART. HOW DO WE STOP IT!

GET YOUR FILTHY HANDS OFF ME! AND IT'S SIMPLE.

THE CREATURE IS HOLDING THE BREACH OPEN BY CHANNELING ITS HOME DIMENSION POWER INTO ITS VESSEL.

WE SIMPLY NEED TO PLACE THE POWER CONDUIT BACK INTO ITSELF AND THE BREACH WILL SEAL.

SO, SEND IT THROUGH THE PORTAL. GOT IT.

EMP -- TURBULENCE, WHAT'S THE SITUATION! HOW CAN I HELP?

CAPTAIN! IT'S NOT GOOD, BUT WE'VE GOT A PLAN. JUST NEED TO KNOCK THE CREATURE THROUGH THE PORTAL.

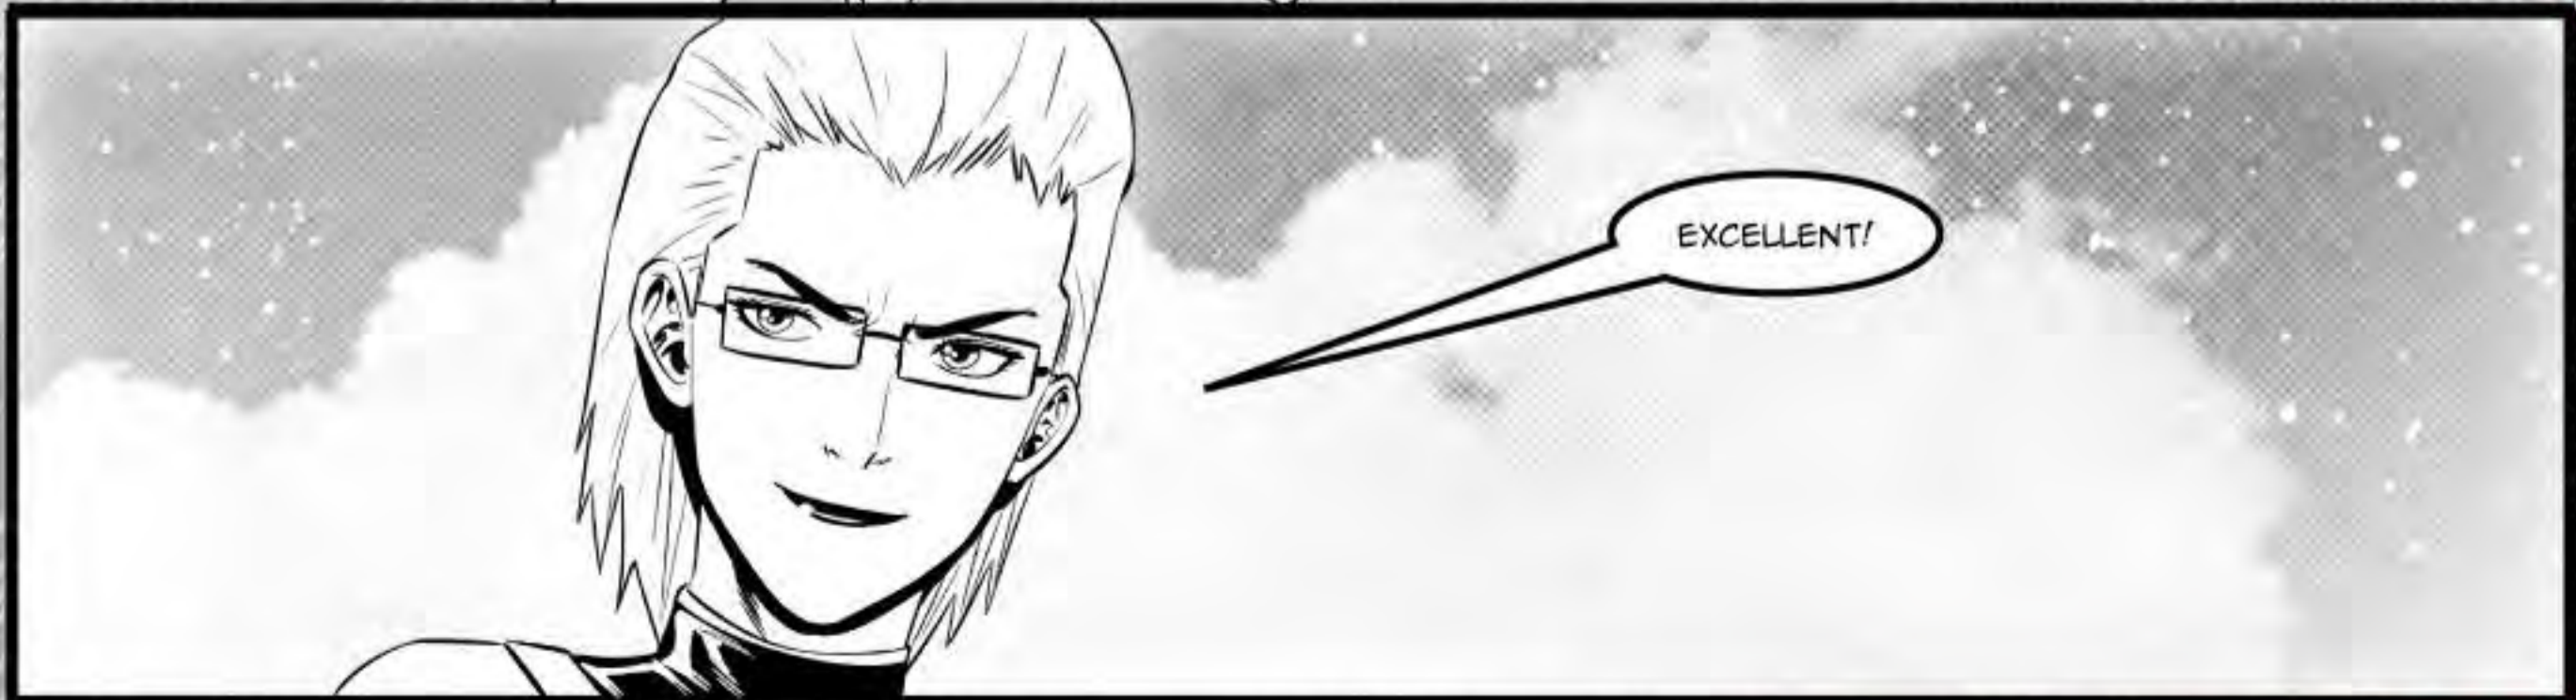

AND WE NEED TO KEEP IT THERE UNTIL THE PORTAL CLOSES. IT'LL TAKE A LITTLE BIT OF TIME, BUT JUST KNOCKING IT THROUGH ISN'T GOING TO DO IT. ONCE THE POWER DISSIPATES IT WON'T BE ABLE TO RETURN TO OUR DIMENSION.

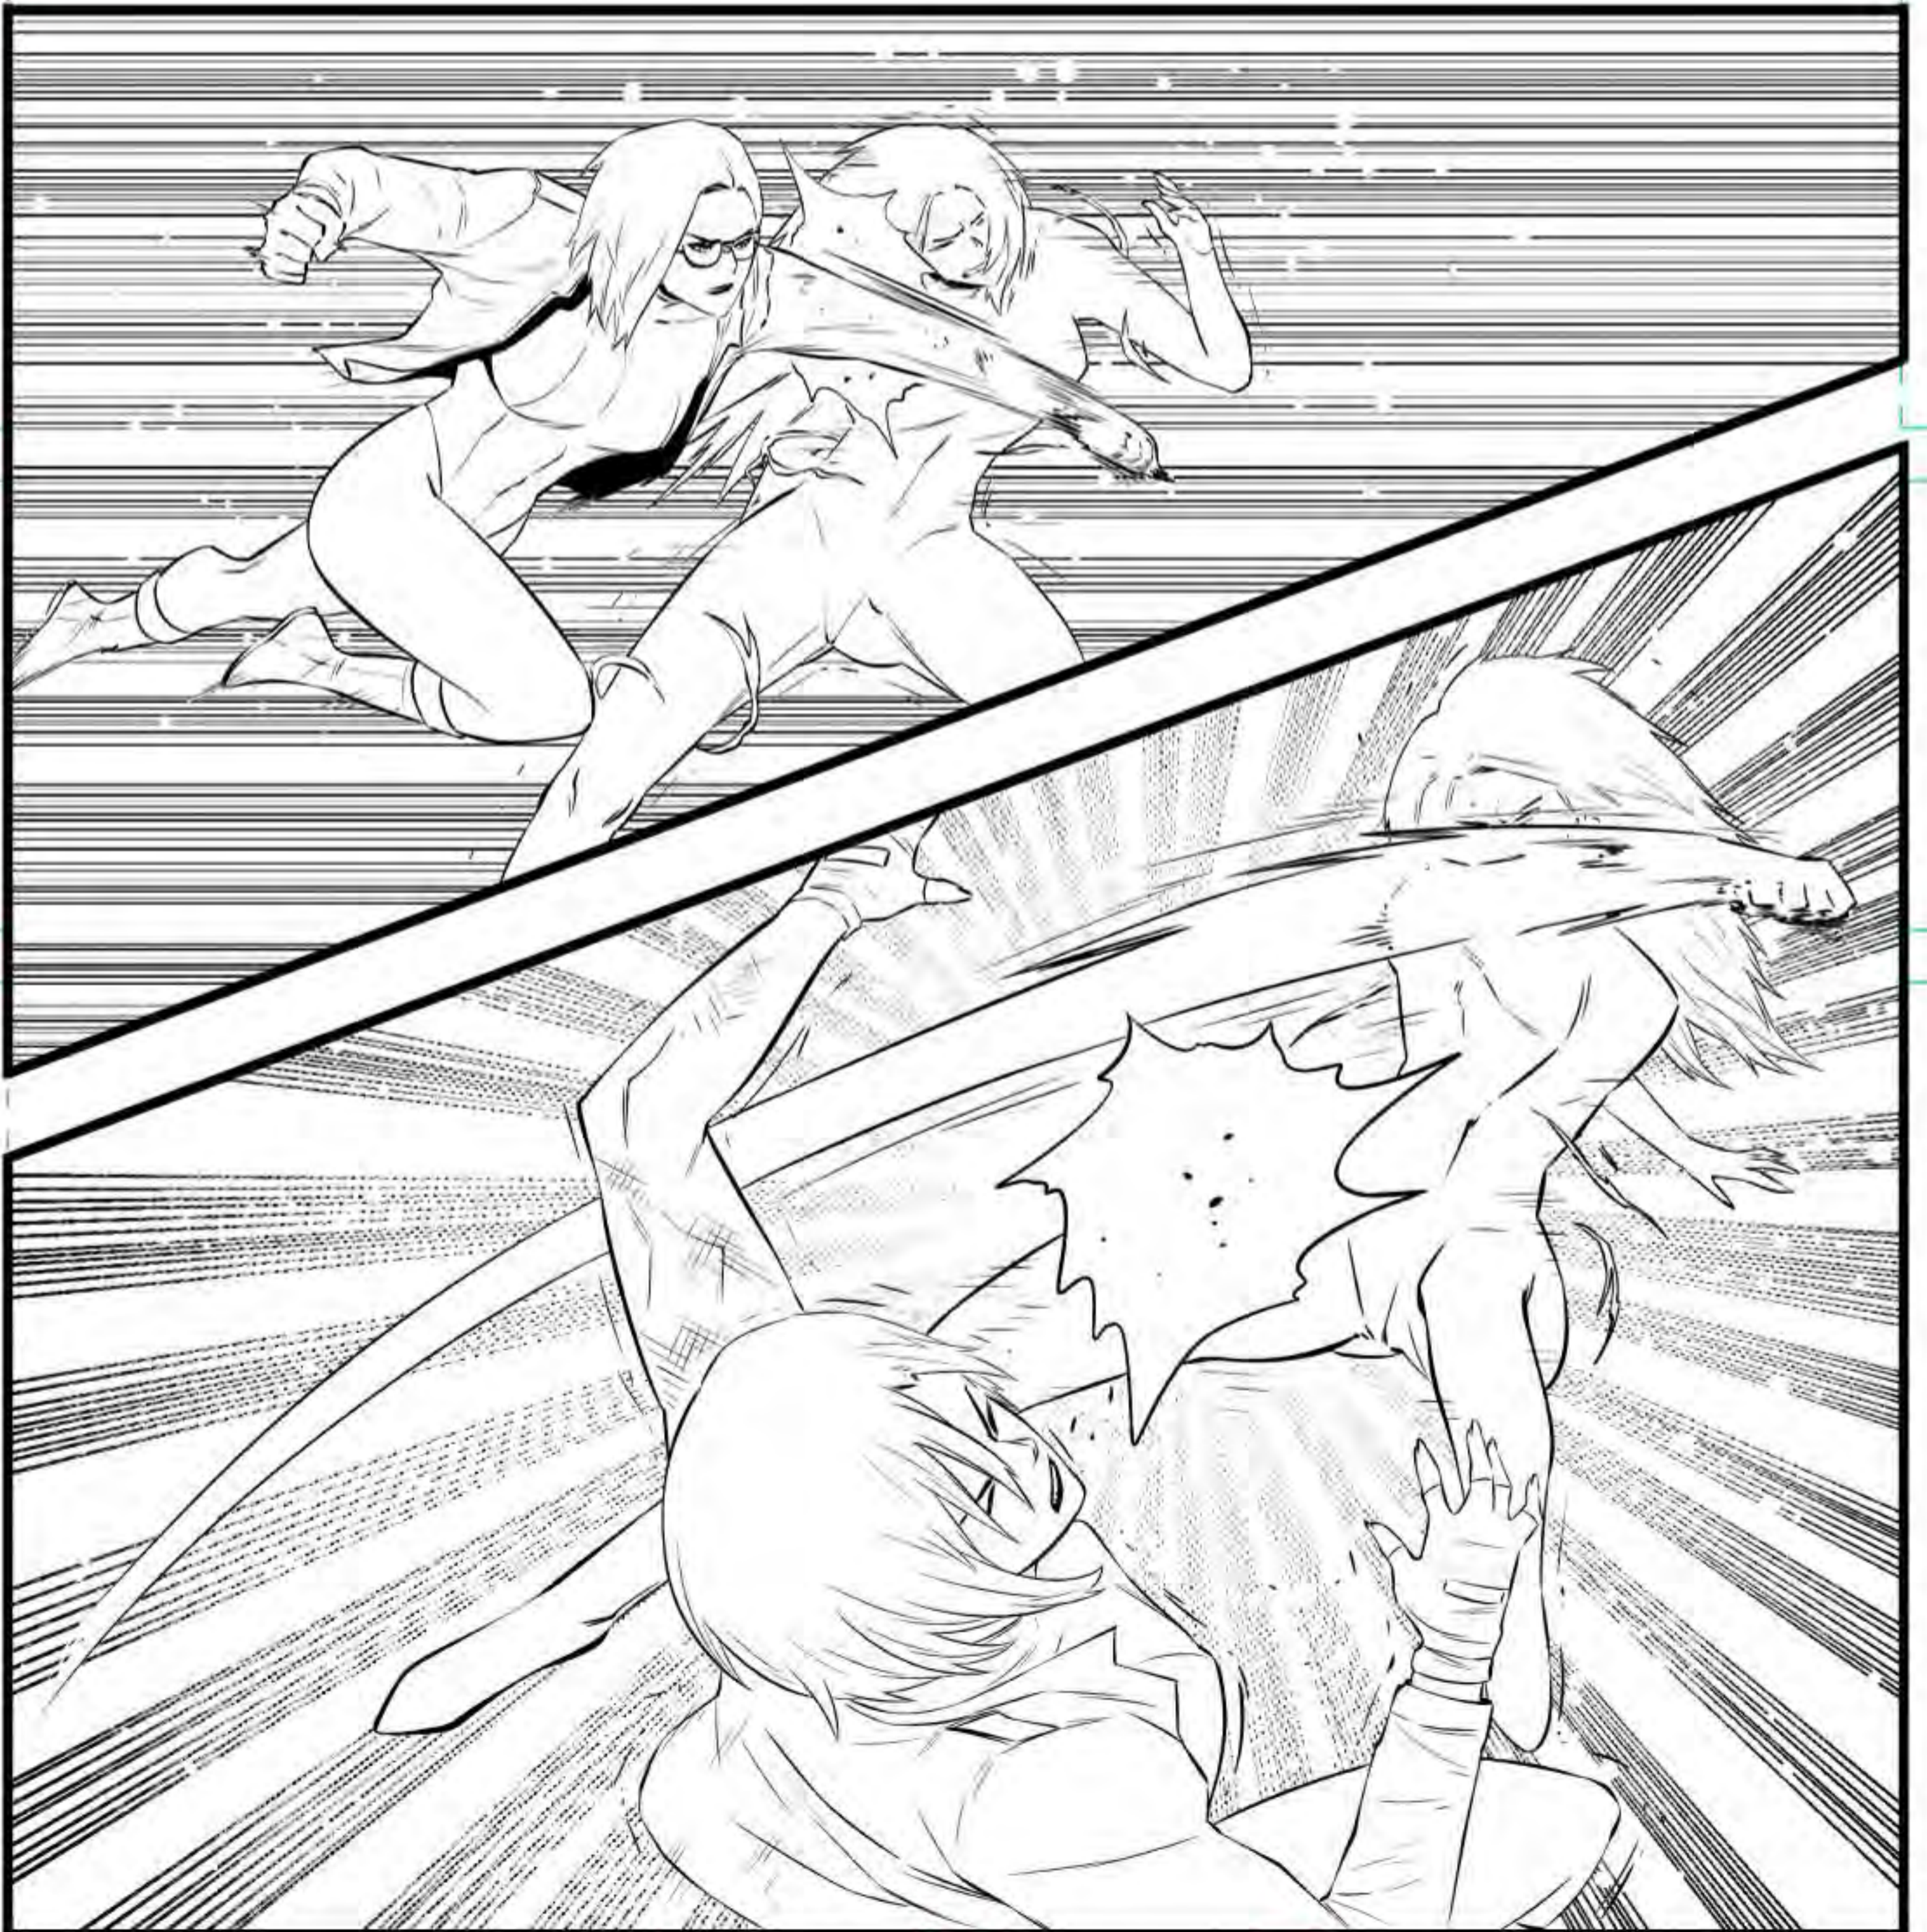

THERE'S NO WAY IT WON'T COME BACK. WE'RE GOING TO HAVE TO MAKE IT STAY ON THE OTHER SIDE. IT'LL BE A ONE-WAY TRIP.

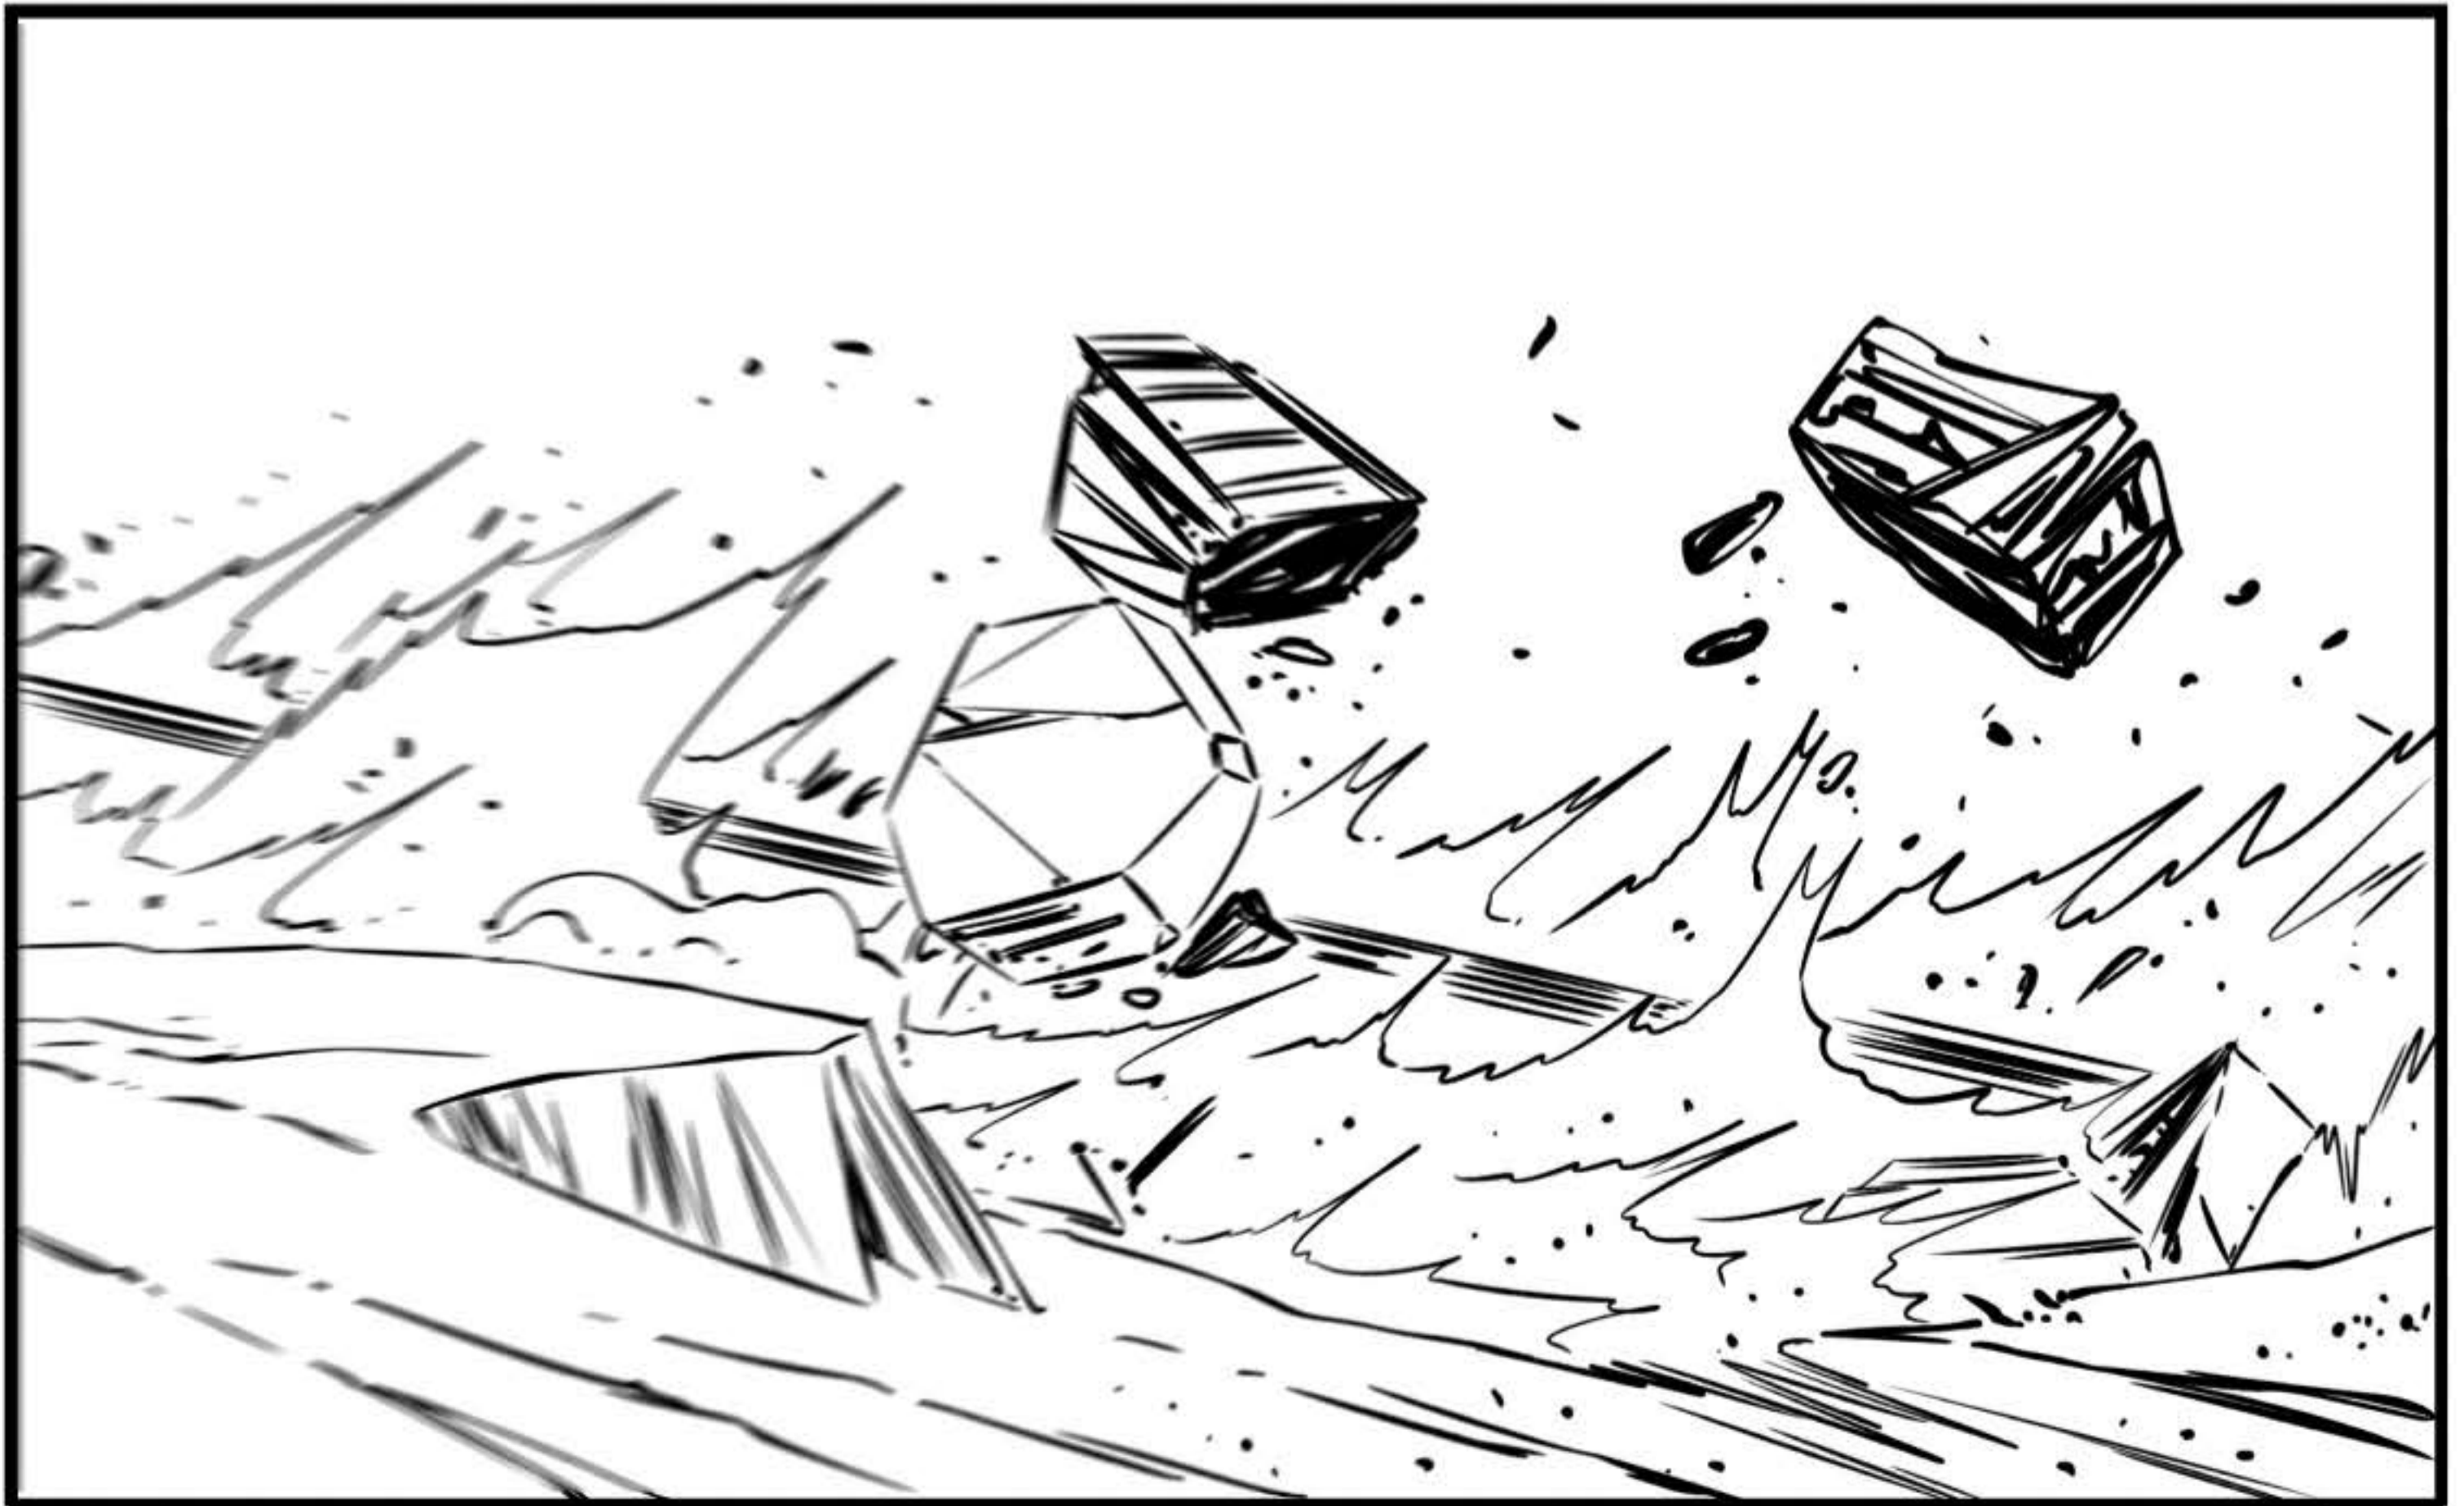

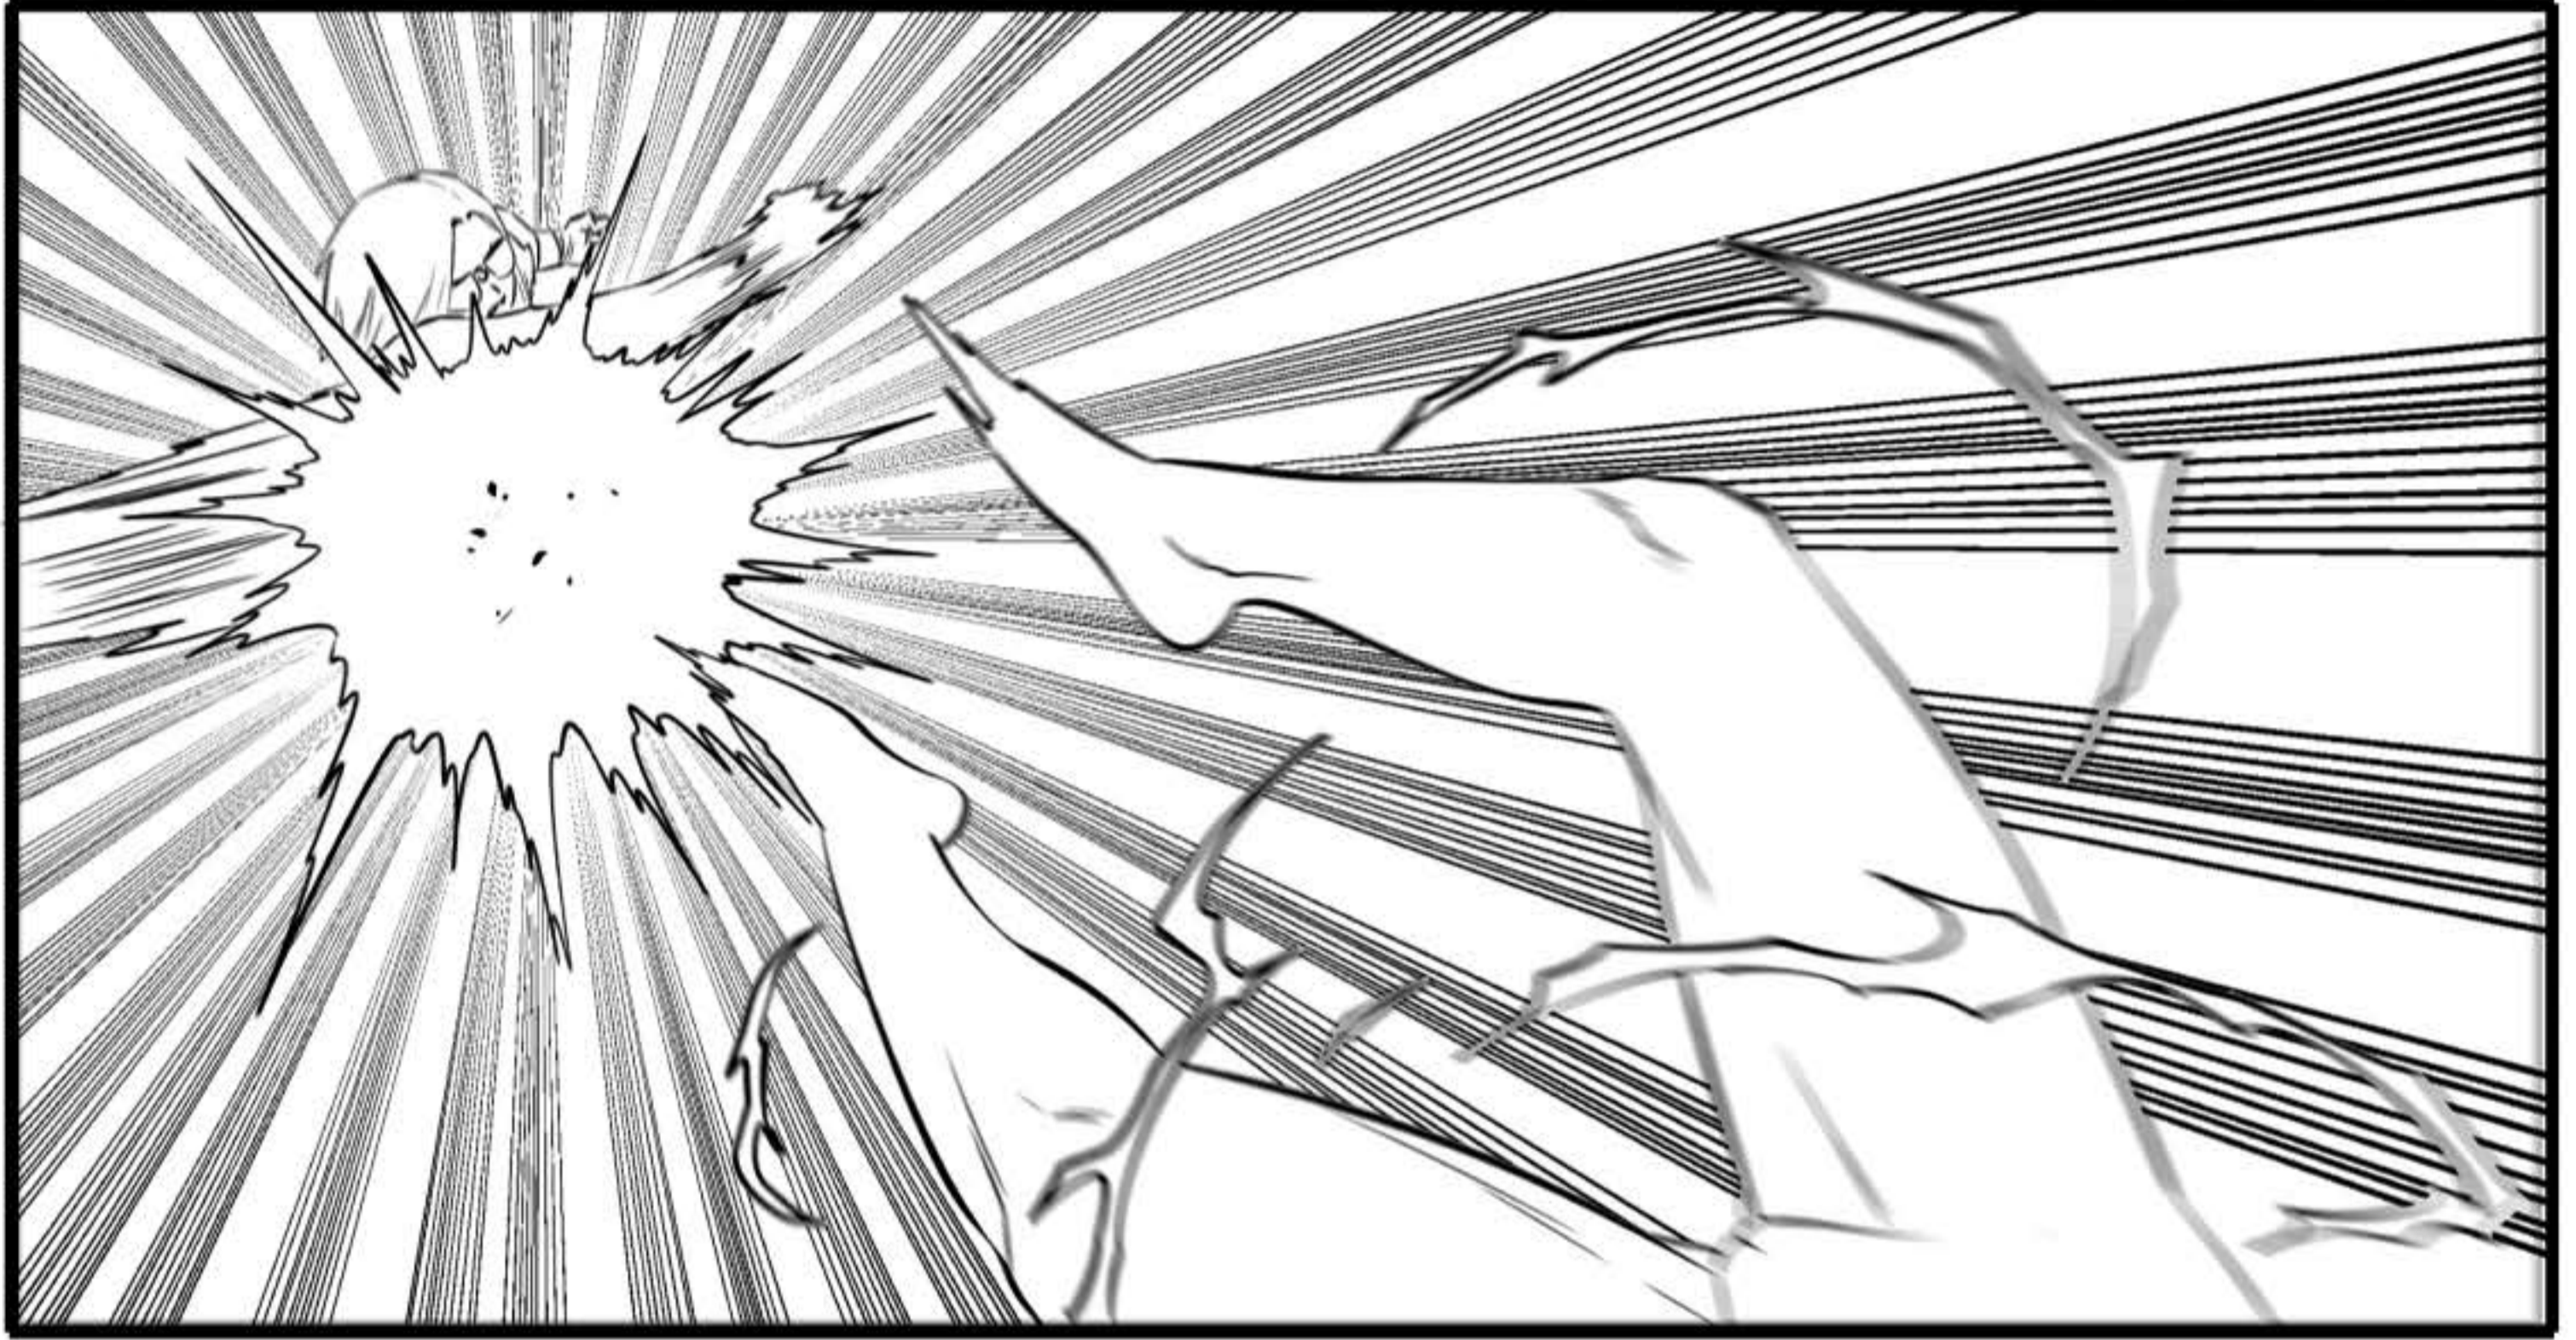

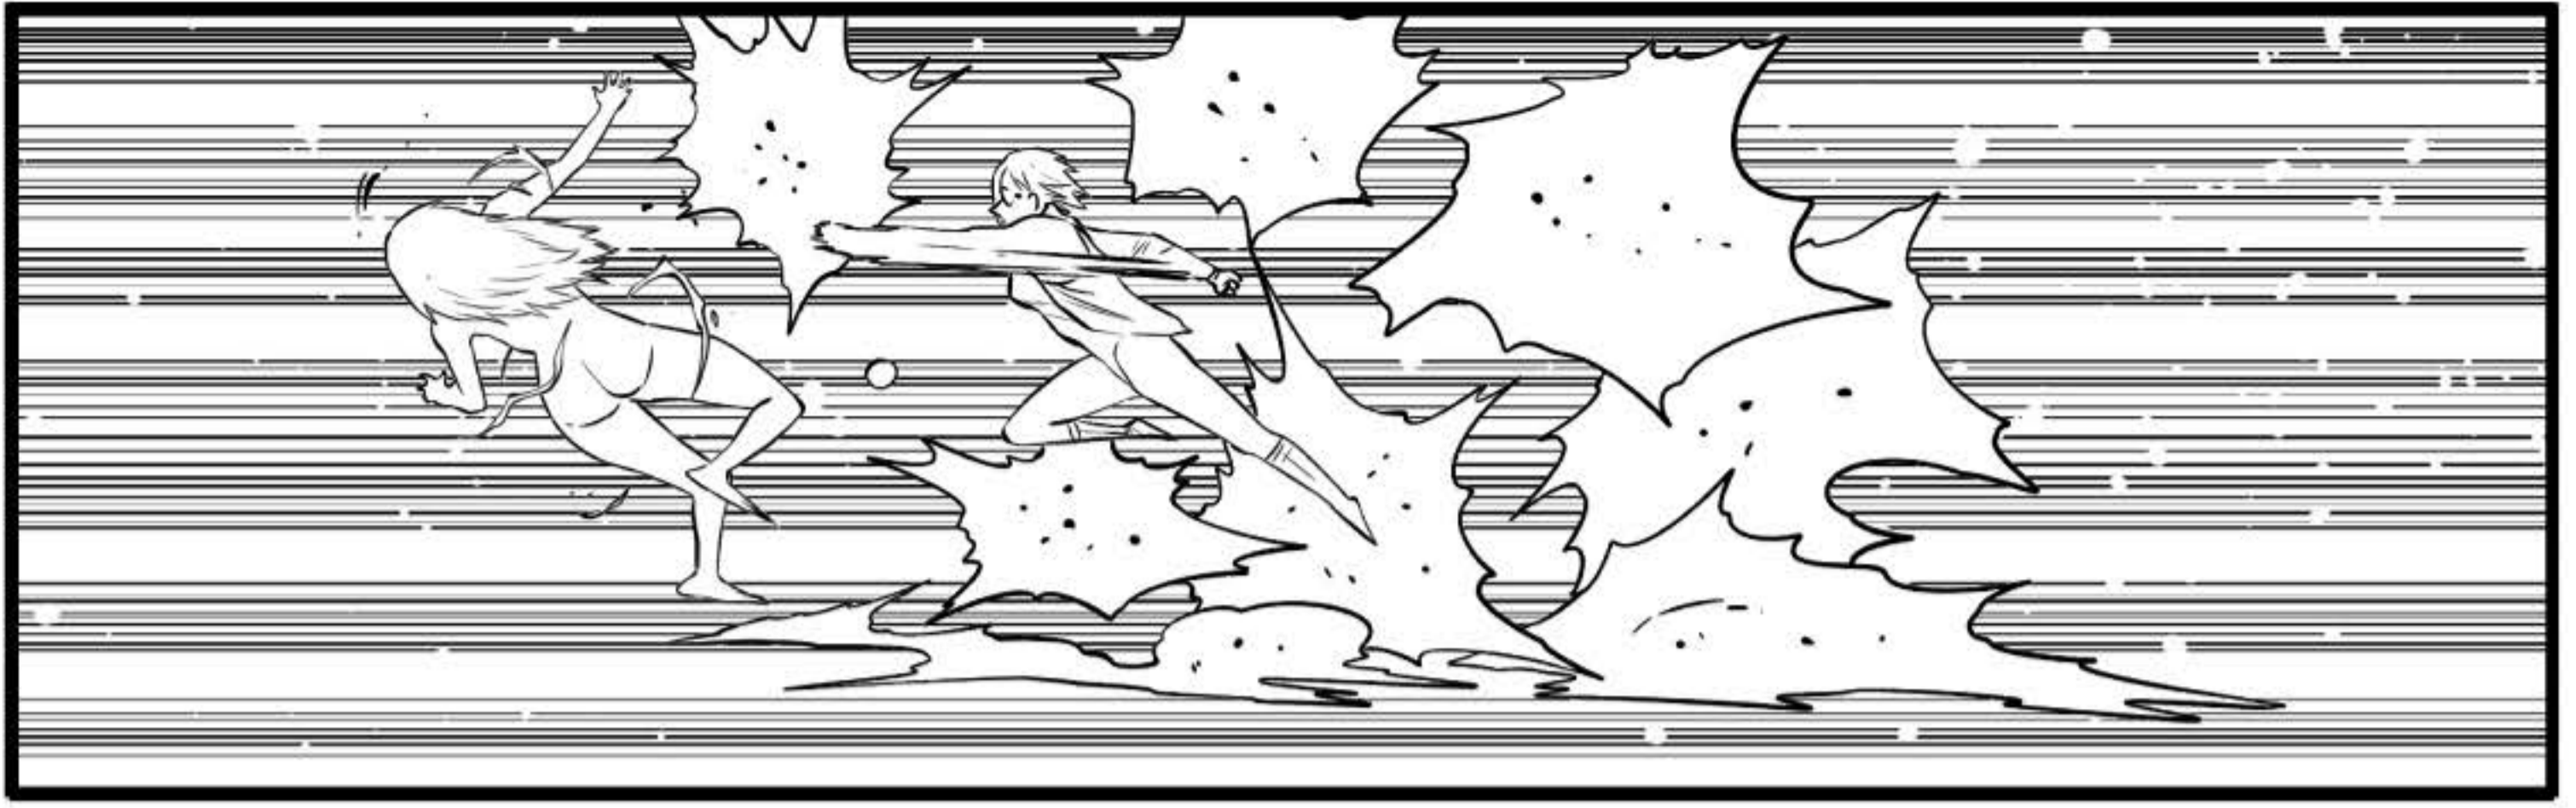

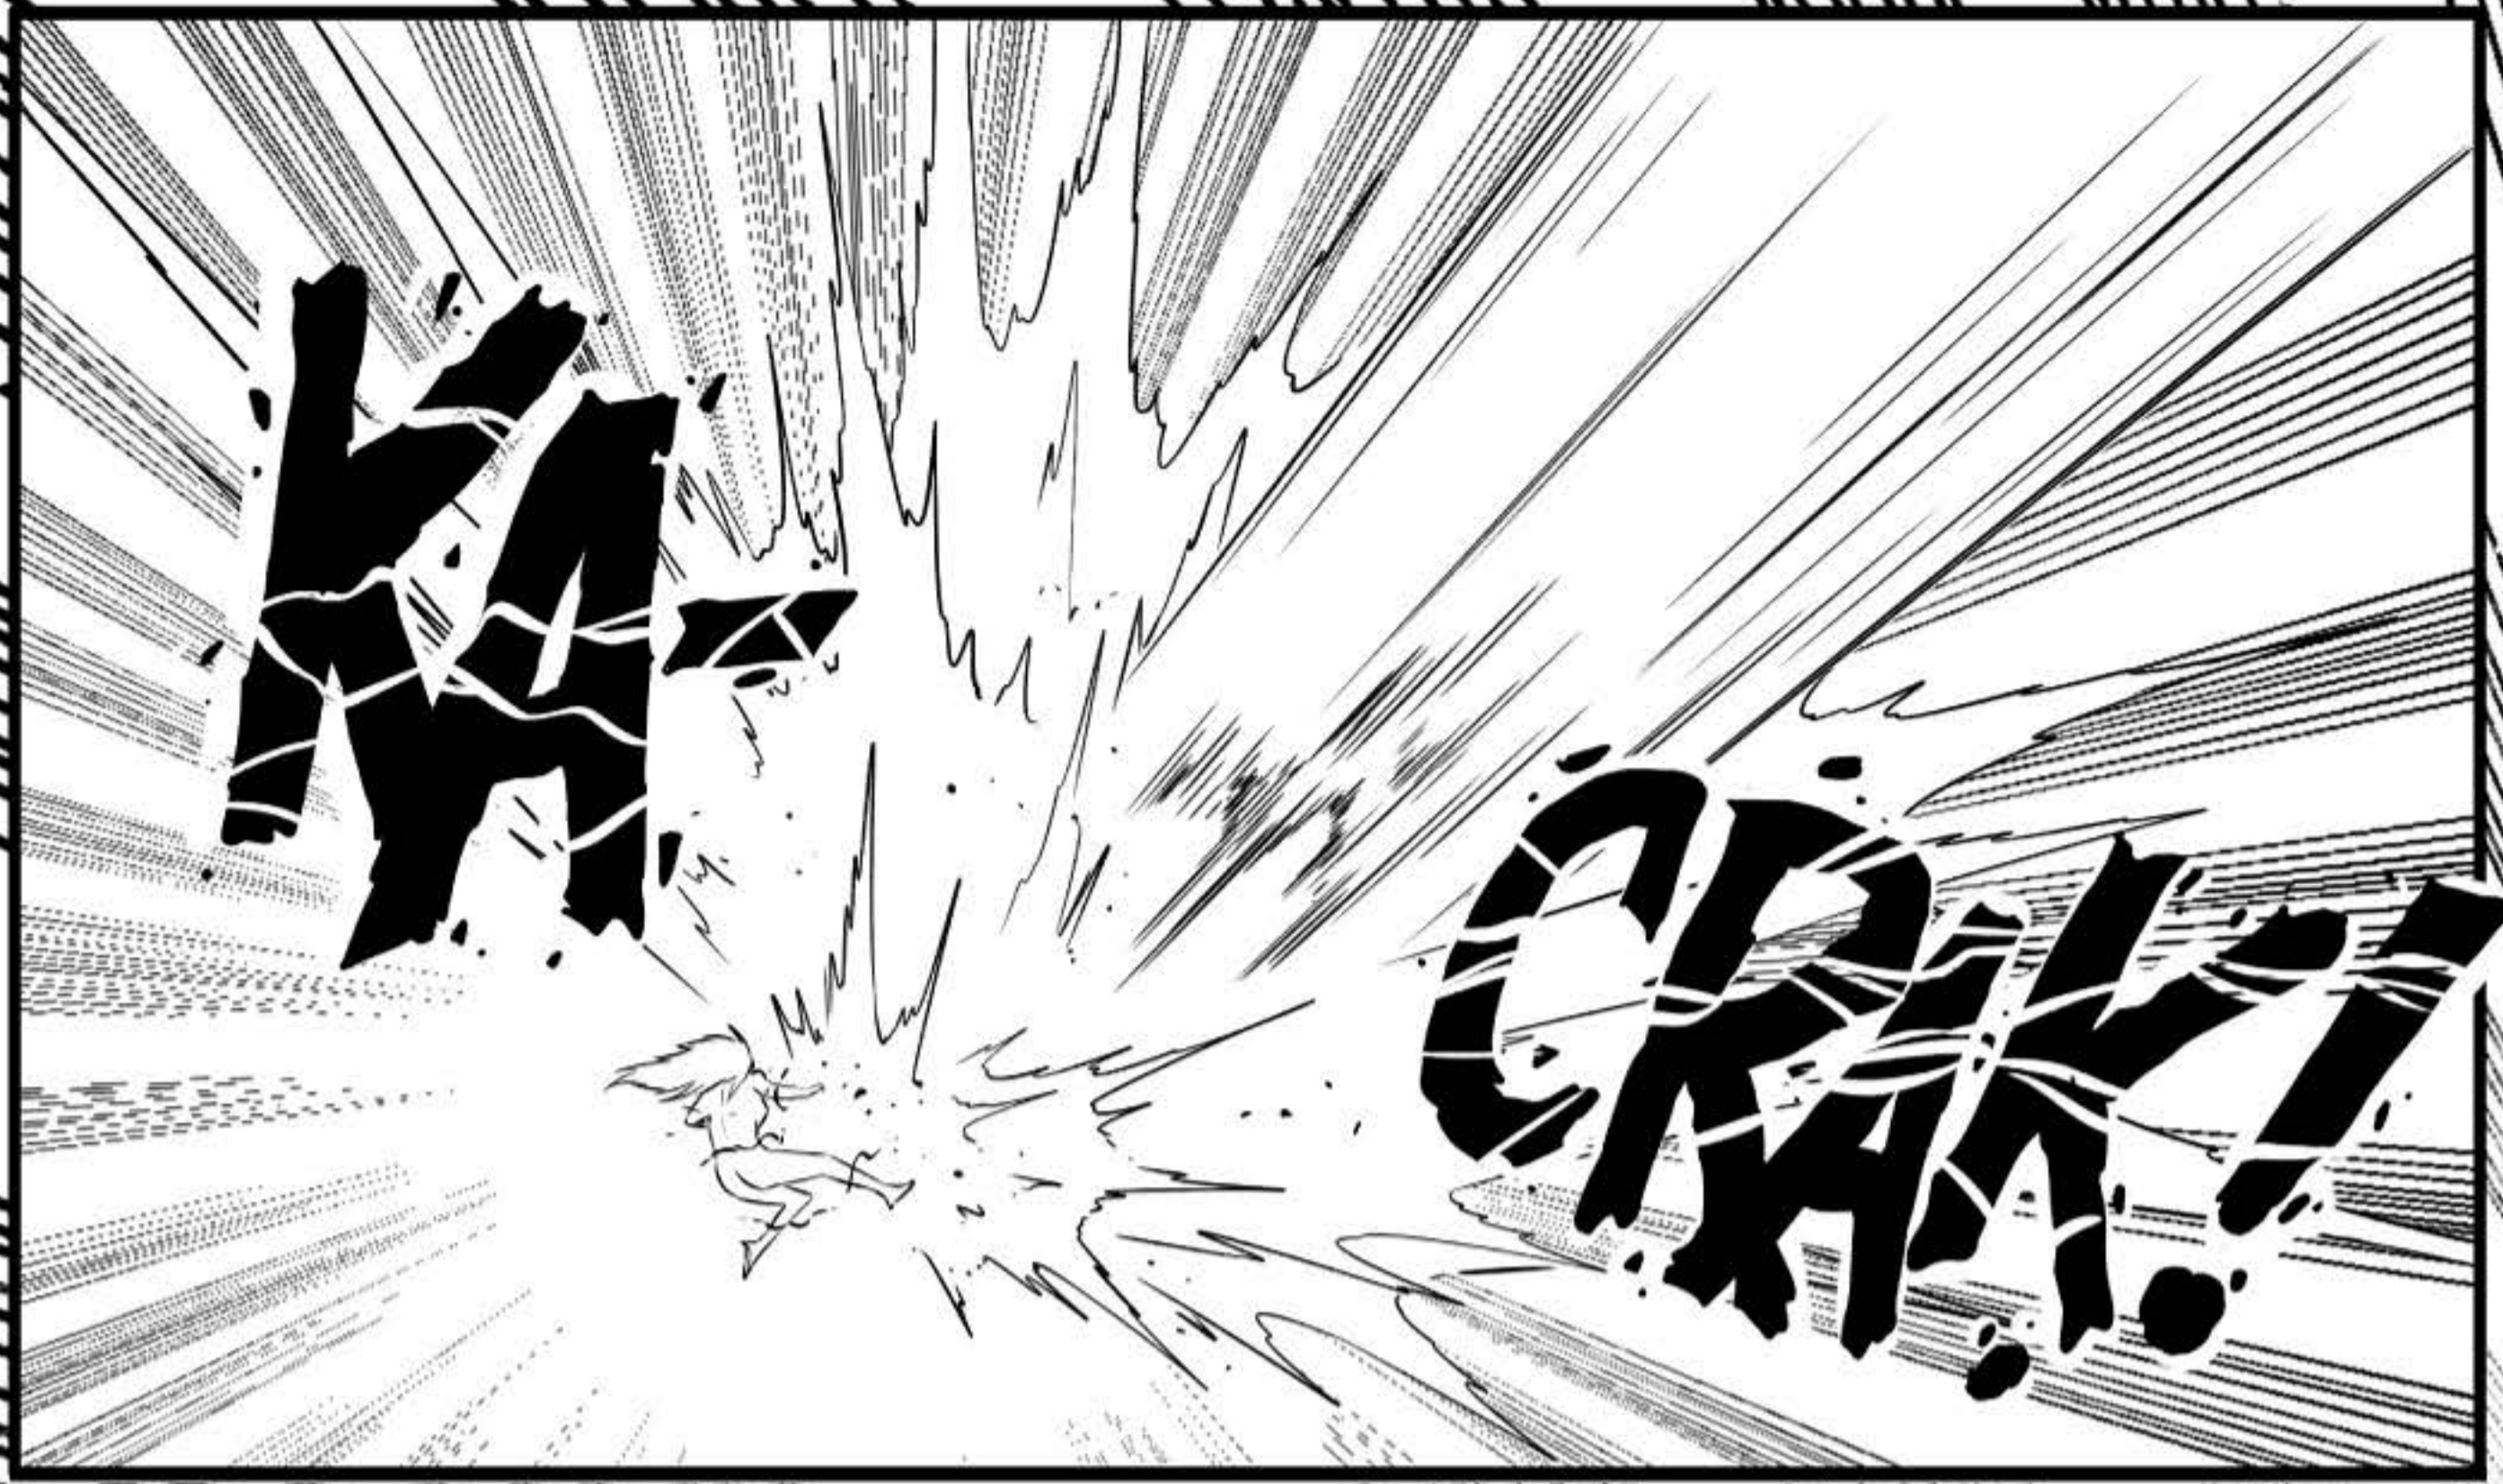

FORM UP ON ME. WE'RE GOING TO HIT THIS THING HARD AND FAST. WHEN I GIVE THE SIGNAL CLEAR-OUT AND I'LL TAKE THIS THING THROUGH THE PORTAL.

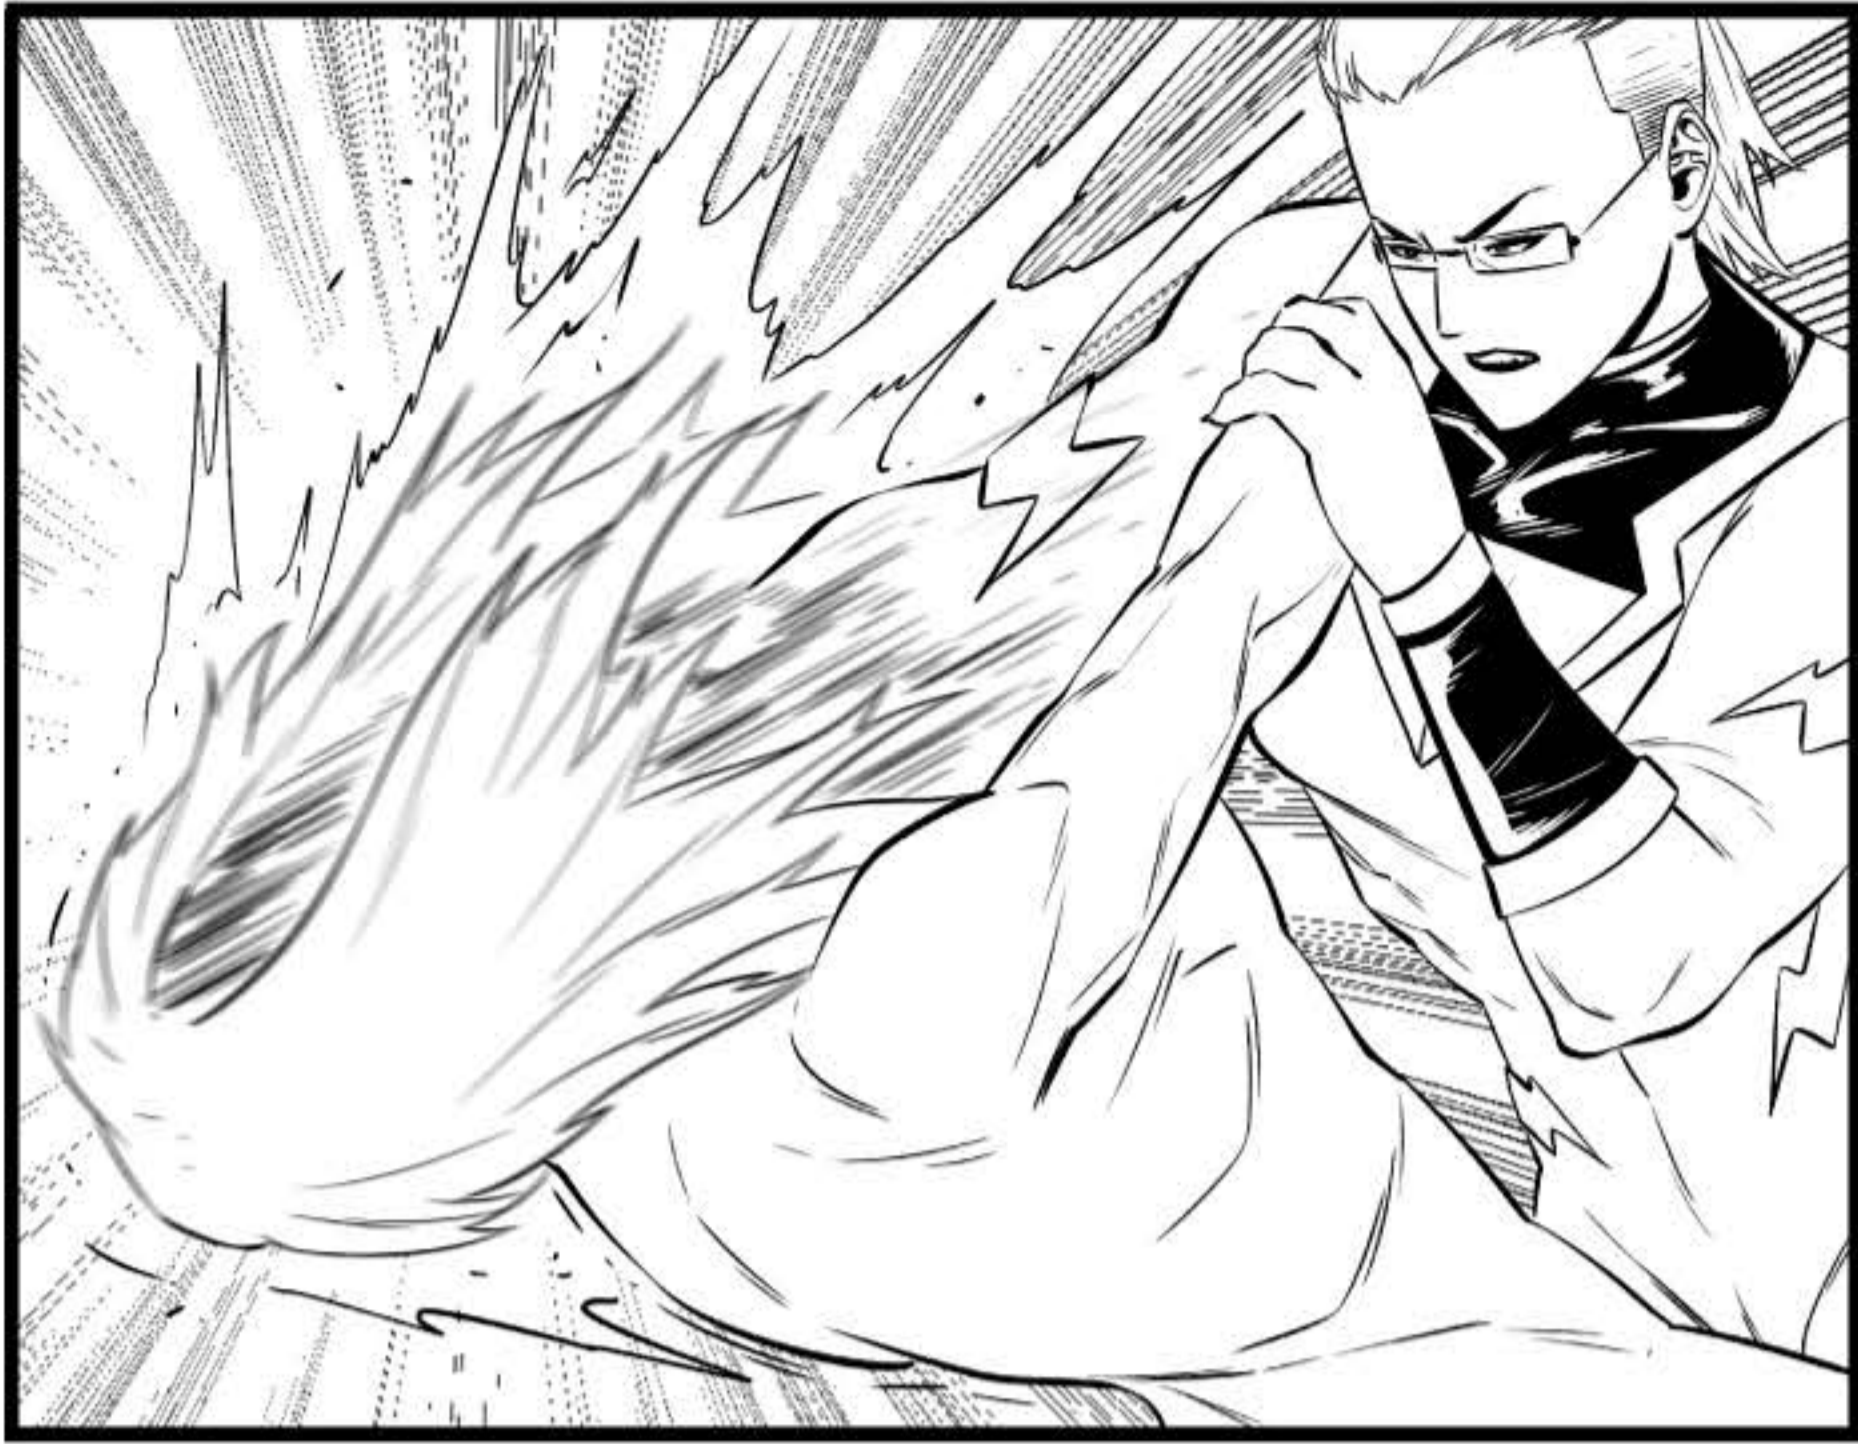

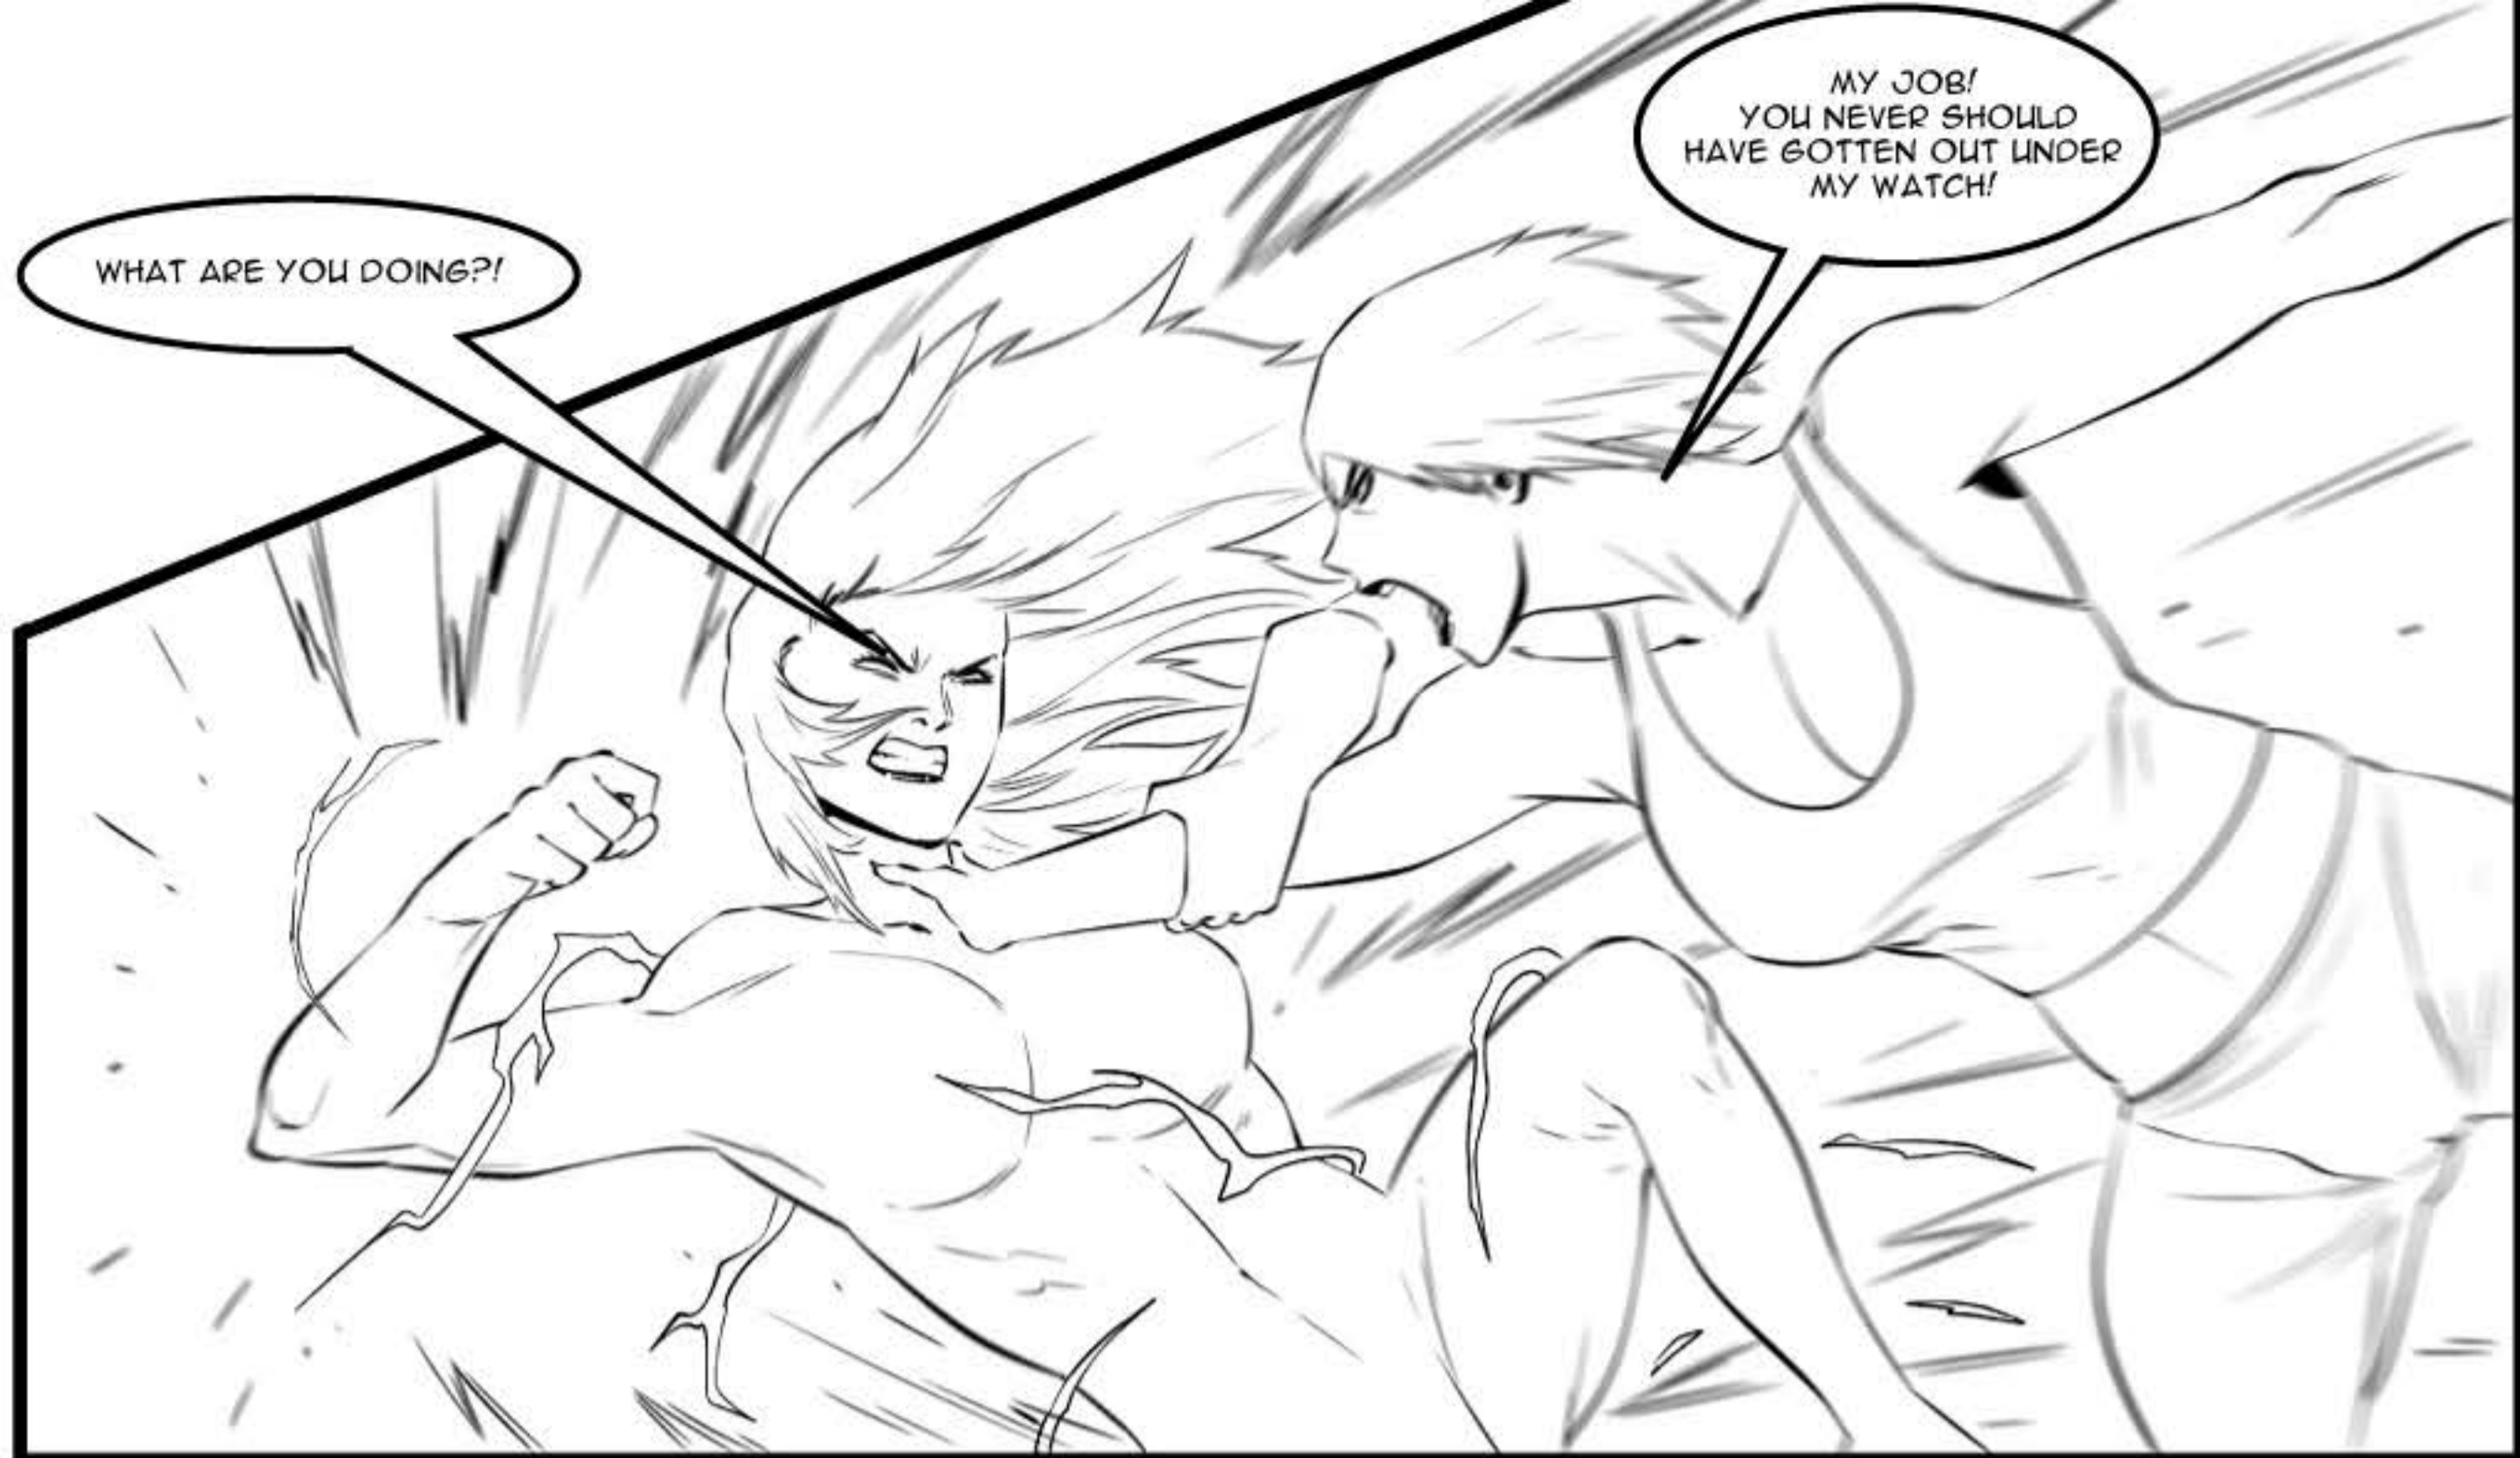

EXCELLENT!

WHAT ARE YOU DOING?!

MY JOB!
YOU NEVER SHOULD
HAVE GOTTEN OUT UNDER
MY WATCH!

IN THIS DIMENSION
OR ANOTHER, I CAN'T LET YOU
HURT ANYONE ELSE!

FOOL.
